Dear Mr. Brown:

This will acknowledge receipt of your letter of August 19 inquiring about 6.5MM Manlicher Carcano cartridges.

Production ceased immediately after World War II and all rounds loaded became the property of our government or our allies. This item was never offered for commercial or sporting purposes and I do not know where reloading data on this ammunition could be obtained.

Thanking you for writing to us and assuring you that we are pleased to have been of assistance, I remain

Yours very truly,
